This is a Sash and Trophy (Prizes) show.

Canteen facilities are available on the grounds. Because we may be still operating under COVID-19 regulations, we will update details closer to the day.

The Club is running a great raffle to be drawn on the day; monies raised will go towards our 2023 Specialty show. Details to be advised.

All Exhibitors and Friends welcome, so mark the date in your diary, come along and join in the fun. This is an ideal venue to show case your dogs as well as chatting with all other breeders. Most of our dogs will be a bit naughty as we have not shown very often over the last 18 months, it is important to get them out for socialisation.

CAMPING is available on the grounds, bookings to be done through Show Manager when organising your entries.

We hope to catch up with everyone on the day, so for people driving, whether locally or from interstate please take extra care on the roads and have a safe trip. Best of luck everyone.
